## I. OBJECTIVES

The objectives of the AOMG are as follows:

- to promote cooperation and coordination among the oleochemical manufacturers in ASEAN region
- to initiate, encourage and coordinate the preparation and implementation of programmes, plans and projects that will accelerate and harmonise the growth and progress of the oleochemical industry in the ASEAN region
- to promote closer relations and cooperation between the oleochemical manufacturers in the region with other national, regional and international organisations with similar aims and objectives
- to formulate and develop recommendations on measures to encourage the development of application of oleochemical products in the region, and
- to compile disseminate information of common concern as well as provide facilities for consultation and exchange of views between and amongst members.

## II. MEMBERSHIP

Membership in AOMG is opened to any company engaged in the manufacturing of primary oleochemicals in ASEAN. There are 2 conditions to membership, they are as follows:
