

# 30<sup>th</sup> AOMG AGM

7<sup>th</sup> March 2016, Kuala Lumpur

## A review of achievements

*Ir Qua Kiat Seng*

*Technical Advisor*

**ASEAN Oleochemical Manufacturers Group**

# What is AOMG?

- Established 30 years ago :  
MOMG 1984,  
POMA 1986,  
**AOMG 1986**,  
APOLIN 1996
- 15 Members from Indonesia (5), Malaysia (9)  
& Philippines (1)
- Pre-requisite of membership
  - splitter
  - statistics

# Internal achievements

- Technical committee (2007)
- RSPO TWG (2010)
- 5 process safety workshops 2011-2015
- 1 GHS workshop 2014
- 1 Energy efficiency workshop 2015

# External achievements

(presentations)

- Co-organised with MPOB PIPOC 2009 Oleo & Speciality Chemicals Conference
- PIPOC 2011, 2013, 2015 on Sustainable PO
- 2<sup>nd</sup> Oleochemicals Outlook, Aug 2014, Jakarta on Sustainable PO
- 3<sup>rd</sup> ICIS Asian Oleo Conf, Feb 2015 on Sustainable PO
- 3<sup>rd</sup> Hazards Asia Pacific Symposium April 2015 on Process Safety
- IChemE POPSIG evening talk November 2015 on Process Safety

# External achievements

(committees)

- RSPO TWG Derivatives 2011
- AOMG draft physical transition rules approved July 2013
- AOMG briefs RSPO certifying bodies 3/9/13
- RSPO SC T&T (from 2014)
- Inputted RSPO SCC Systems & Standards Nov 2014
- RSPO SC T&T Oleo & Derivatives Sub-group (from 2015)
- AOMG drafting update of physical transition rules (due July 2015)

# External

(others & future)

- AOMG website
- Invitation to present paper at POC 2016
- Unified SDS (Safety Data Sheet (64)) per GHS
- LMC meeting us on RSPO Oleochemicals
- Invitation to talk on process safety at NIOSH
- Partner of AOCS World Conference on Fabric and Home Care, October 2016, Singapore

# How others see us

- We are credible
- We have valuable information (statistics)
- We support sustainable palm oil
- We are an authority on RSPO oleochemicals
- We are the leaders in process safety in the palm oil industry
- We are .....
